

PHYTOMAX CALF

(Herbal combination product for ruminants)

PRODUCT DESCRIPTION

PhytoMax Calf is a combination product of essential oils, plant extracts and parts of whole plants. This ensures better digestion, higher feed utilization and better intestinal health. The herbs and spices have been specifically selected for their positive effect on digestion and to increase the palatability of the food. The product contains a fine vanilla flavor which ensures good absorption. In addition, the product contains tannins which have a positive influence on diarrhea problems.

PRODUCT COMPOSITION

Mix of essential oils, herbs, spices, plant extracts, flavour extracts, natural identical flavourings, authorised additives, solvent and/or carrier.

ACTIVE INGREDIENTS

Alpinia officinarum (Galanga), Foeniculum vulgare var. Dulce Mil. (Venkel), Melissa officinalis L. (Melissa balsem), Quercus cortex (Eikenbarst), Syzygium aromaticum L. (Klaver).
